CAREER OBJECTIVES_____

Hi There! My name is Riajul Islam, I'm a full-stack web developer.
I've been designing websites for businesses since 2018 and I'm always up to a challenge!
Recently I had participated in a fronted development programming contest in 2022 and own 3rd prize on the contest, which has shared on my LinkedIn profile.

I'm comfortable working with React applications. React, Redux and Next.js in frontend and node, Express and Mongodb in the backend.
CSS framework such as Material-UI or MUI and deploying applications with docker.
I would love to put my skills to work to create a beautiful and user-friendly website for you.
